

West Edmonton Mall continues to treat the health and safety of tenants, guests and employees as our top priority.

After careful review of the Government of Alberta's recommendations for mass gatherings and in consideration of the best interests of our guests, tenants and employees, effective March 16, 2020, West Edmonton Mall will be temporarily closing World Waterpark, Galaxyland, Marine Life, Crystal Labyrinth Mirror Maze and Ed's Bowling. These closures are preventative in nature as, to date, there have been no reported incidents of COVID-19 at the Shopping Centre.

The Shopping Centre, Fantasyland Hotel and West Edmonton Mall Inn will continue to operate during regularly scheduled hours with heightened risk mitigation procedures in place, including augmented cleaning schedules in high touch areas, additional sanitizer stations, the posting of public health and safety notifications, and the encouragement of social distancing.

We can also advise that certain tenants of the Shopping Centre have elected to reduce their store operating hours. These reduced hours will be in effect over the next two weeks and may be subject to change. The Mall remains open regular hours with select retailers with modified hours.
